Item 1.01 Entry into a Material Definitive Agreement.

On August 2, 2016, Lightbridge Corporation (the “Company”) entered into an Investors Rights Agreement (the “Investors Rights Agreement”) with General International Holdings, Inc. (the “Purchaser”), in connection with the closing of the sale of \$2.8 million of shares of Series A Preferred Stock (as defined in Item 3.03 below) to the Purchaser pursuant to the Securities Purchase Agreement entered into by the Company and the Purchaser on June 28, 2016 (the “Purchase Agreement”). Pursuant to the Investors Rights Agreement, among other things, the Company has granted the Purchaser certain customary registration rights and preemptive rights with respect to future equity offerings by the Company until August 2, 2019. The Investors Rights Agreement also imposes volume limitations on the Purchaser’s ability to sell common stock following conversion of the Series A Preferred Stock and limits the Purchaser’s ability to direct the voting of the common stock issuable upon conversion of the Series A Preferred Stock to 9.99% of the Company’s outstanding common stock.

The foregoing description of the Investors Rights Agreement is a summary only, is not complete and is qualified in its entirety by reference to the full text of the Investors Rights Agreement filed as Exhibit 10.1 to this Current Report on Form 8-K, which is incorporated herein by reference.

Item 3.02 Unregistered Sale of Equity Securities.

On August 2, 2016, the closing of the sale of the Series A Preferred Stock under the Purchase Agreement occurred, and the Company issued an aggregate of 1,020,000 shares of Series A Preferred Stock to the Purchaser for an aggregate purchase price of \$2.8 million. The rights, privileges and preferences of the Series A Preferred Stock are summarized in Item 3.03 below. The issuance of the Series A Preferred Stock and underlying common stock under the Purchase Agreement is exempt from registration under the Securities Act of 1933, as amended, pursuant to the exemption for transactions by an issuer not involving any public offering under Section 4(a)(2) of the Securities Act.

Item 3.03 Material Modification to Rights of Security Holders.

On July 29, 2016, in anticipation of the closing under the Purchase Agreement, the Company filed a Certificate of Designation of Preferences, Rights and Limitations of Non-Voting Series A Convertible Preferred Stock (the “Certificate of Designation”) with the Secretary of State of the State of Nevada. Pursuant to the Certificate of Designation, the Company’s Board of Directors designated a new series of the Company’s preferred stock, the Non-Voting Series A Convertible Preferred Stock, par value \$0.001 per share (the “Series A Preferred Stock”). The Certificate of Designation authorized the Company to issue 1,020,000 shares of Series A Preferred Stock. Each share of Series A Preferred Stock has a liquidation preference of \$2.7451 per share (the “Liquidation Preference”). The following description of the Certificate of Designation is a summary only, is not complete and is qualified in its entirety by reference to the full text of the Certificate of Designation filed as Exhibit 3.1 to this Current Report on Form 8-K, which is incorporated herein by reference.

Dividends. Dividends on the Series A Preferred Stock are cumulative and accrue quarterly, whether or not declared by the Board, at the rate of 7.0% per annum on the sum of the Liquidation Preference plus all unpaid accrued and unpaid dividends thereon, whether or not declared by the Board. In addition, if the Company declares certain dividends on its common stock, the Company is required to declare and pay a dividend on the outstanding shares of Series A Preferred Stock on a pro rata basis with the common stock, determined on an as-converted basis.

Liquidation. In the event of any liquidation, dissolution or winding down of the Company, each holder of outstanding shares of Series A Preferred Stock will be entitled to be paid out of the assets of the Company available for distribution to stockholders, before any payment may be made to the holders of common stock, an amount equal to the Liquidation Preference for such shares plus accrued and unpaid dividends thereon.

Voting and Protective Provisions. Except as otherwise required by law, the holders of the Series A Preferred Stock will have no voting rights. In addition, as long as 255,000 shares of Series A Preferred Stock are outstanding, the Company may not take certain actions without first having obtained the affirmative vote or waiver of the holders of a majority of the outstanding shares of Series A Preferred Stock. These actions include (a) altering or changing the rights, preferences or privileges of the Series A Preferred Stock; (b) increasing or decreasing (other than by redemption or conversion) the authorized number of shares of Series A Preferred Stock; (c) amending or waiving any provision of the Company's Articles of Incorporation or bylaws; (d) authorizing, creating, issuing, or reclassifying any existing security into any class of equity security that is senior or *pari passu* to the Series A Preferred Stock; (e) repurchasing or redeeming common stock except from employees, officers, directors, or consultants upon termination of their employment or other relationship or in accordance with any existing repurchase or redemption program that has been approved by the Company's Board of Directors; (f) declaring or paying any dividend other than a dividend payable solely in stock or other securities of the Company; (g) acquiring any entity for consideration of \$3 million or more; (h) materially altering the general nature of the business of the Company; or (i) entering into any sale, license, lease or other disposition of assets having a book value of at least \$10 million that is effected outside of the ordinary course of the business. Further, as long as 510,000 shares of Series A Preferred Stock are outstanding, the Company may not effect any event for which the Liquidation Preference would become payable.

Conversion. Any holder of outstanding shares of Series A Preferred Stock may elect, from time to time, to convert any or all of such holder's shares of Series A Preferred Stock into a number of shares of common stock as is determined by dividing the Liquidation Preference by \$2.7451 (the "Conversion Price"), subject to applicable Nasdaq rules and the limitations set forth in the Investors Rights Agreement. In addition, if at any time the trading price of the Company's common stock (i) is greater than two times the Conversion Price before August 2, 2019 or (ii) is greater than three times the Conversion Price, the Company may cause a mandatory conversion of the Series A Preferred Stock. The Conversion Price is also subject to customary anti-dilution adjustments following stock splits, stock combinations and similar events.

Call Option. The Company has the option at any time after August 2, 2019 to redeem some or all of the outstanding Series A Preferred Stock for an amount in cash equal to the Liquidation Preference plus the amount of any accrued but unpaid dividends of the Series A Preferred Stock being redeemed. The Series A Preferred Stock is not redeemable upon the election of the holders of Series A Preferred Stock.

Transfer Restrictions. Without the consent of the Company's Board of Directors, the holders of Series A Preferred Stock may only transfer shares of Series A Preferred Stock to their affiliates or to the Company, provided that any such affiliate must become a party to the Investors Rights Agreement.

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Effective as of August 2, 2016, Mr. Xingping Hou joined the Company's Board of Directors as co-Chairman. Mr. Hou, age 55, has been Chairman of the Board, Chief Executive Officer and President of General Agriculture Corporation since July 2012. The Corporation shall mail written notice of any such Liquidation, not less than 10 days prior to the payment date stated therein, to each Holder.

Section 6. Conversion. The outstanding shares of Preferred Stock shall be convertible into Common Stock as follows:

- (a) Conversions Price. The conversion price for the Preferred Stock shall equal \$2.7451, subject to adjustment herein (the "Conversion Price").

(b) Optional Conversion.

(1) Each share of Preferred Stock shall be convertible, at any time and from time to time from and after the Original Issue Date at the option of the Holder thereof and without the payment of additional consideration, subject to applicable Trading Market rules and the limitations set forth in the Investor Rights Agreement, into that number of shares of Common Stock determined by dividing the Liquidation Preference of such share of Preferred Stock by the Conversion Price.

(2) Each holder of Preferred Stock who elects to convert the same into shares of Common Stock shall give written notice to the Corporation by providing the Corporation with the written notice (a "Notice of Conversion"). Each Notice of Conversion shall specify the number of shares of Preferred Stock to be converted, the number of shares of Preferred Stock owned prior to the conversion at issue, the number of shares of Preferred Stock owned subsequent to the conversion at issue and the date on which such conversion is to be effected, which date may not be prior to the date the applicable Holder delivers by facsimile such Notice of Conversion to the Corporation (such date, the "Conversion Date"). Thereupon, the Corporation shall promptly deliver the Conversion Shares required to be delivered by the Corporation to such Holder. Such conversion shall be deemed to have been made immediately prior to the close of business on the date of such delivery of shares of Common Stock, and the person entitled to receive the shares of Common Stock issuable upon such conversion shall be treated for all purposes as the record holder of such shares of Common Stock on such date.

(c) Mandatory Conversion. Notwithstanding anything herein to the contrary, if at any time the trading price of the Corporation's Common Stock (i) is greater than two times the Conversion Price before the third anniversary of the Original Issue Date or (ii) is greater than three times the Conversion Price, the Corporation may deliver a written notice to all Holders (a "Mandatory Conversion Notice" and the date such notice is delivered to all Holders, the "Mandatory Conversion Notice Date") to cause each Holder to convert all or part of such Holder's Preferred Stock (as specified in such Mandatory Conversion Notice) plus all accrued but unpaid dividends thereon. The Corporation shall promptly deliver the Conversion Shares required to be delivered by the Corporation under this Section 6(c) to each Holder. Such conversion shall be deemed to have been made immediately prior to the close of business on the date of such delivery of shares of Common Stock, and the person entitled to receive the shares of Common Stock issuable upon such conversion shall be treated for all purposes as the record holder of such shares of Common Stock on such date.

(d) Fractional Shares. No fractional shares or scrip representing fractional shares shall be issued upon the conversion of the Preferred Stock. As to any fraction of a share which the Holder would otherwise be entitled to purchase upon such conversion, the Corporation shall at its election, either pay a cash adjustment in respect of such final fraction in an amount equal to such fraction multiplied by the Conversion Price or round up to the next whole share.

(e) Adjustment Upon Common Stock Event. Upon the happening of a Common Stock Event (as hereinafter defined), the Conversion Price of the Preferred Stock shall, simultaneously with the happening of such Common Stock Event, be adjusted by multiplying the Conversion Price of the Preferred Stock in effect immediately prior to such Common Stock Event by a fraction, (i) the numerator of which shall be the number of shares of Common Stock issued and outstanding immediately prior to such Common Stock Event, and (ii) the denominator of which shall be the number of shares of Common Stock issued and outstanding immediately after such Common Stock Event, and the product so obtained shall thereafter be the Conversion Price for the Preferred Stock. The Conversion Price for the Preferred Stock shall be readjusted in the same manner upon the happening of each subsequent Common Stock Event. As used herein, the term "Common Stock Event" shall mean (i) the issue by the Corporation of additional shares of Common Stock as a dividend or other distribution on outstanding Common Stock, (ii) a subdivision of the outstanding shares of Common Stock into a greater number of shares of Common Stock, or (iii) a combination of the outstanding shares of Common Stock into a smaller number of shares of Common Stock.

Section 7. Call Option.

(a) The Corporation shall have the option (the "Call Option") at any time after the third anniversary of the Original Issue Date to redeem some or all of the outstanding Preferred Stock for cash, for an amount equal to the Liquidation Preference, plus the amount of any accrued but unpaid dividends, of the Preferred Stock being redeemed.

(b) The exercise of the Call Option by the Corporation shall be subject to the transmission of a written notice of the exercise of the Call Option to the Holders (the "Call Option Notice") 30 days prior to the applicable Redemption Date which shall specify the number of shares Preferred Stock being redeemed.

(c) With respect to exercises of the Call Option, the Corporation shall remit the applicable cash consideration in one installment to the Holder between the 31st and 60th day after delivery of the Call Option Notice.

(d) The Holder shall maintain the right to convert the Preferred Stock into shares of Common Stock pursuant to Section 6(a) prior to the Redemption Date.

Section 8. Transfer Restrictions. No Holder of Preferred Stock may sell, assign, transfer, pledge, encumber or in any manner dispose of the shares of Preferred Stock or any right or interest therein (including without limitation a voting proxy), whether voluntarily or by operation of law, or by gift or otherwise (a "Transfer"), other than by means of a Permitted Transfer. Any Transfer, or purported Transfer, of Preferred Stock of the Corporation other than a Permitted Transfer shall be null and void, and of no force or effect; provided that the Board of Directors may at its sole discretion waive any or all of the foregoing conditions through prior written consent. The only transaction that is a "Permitted Transfer" is a Transfer that meets the following conditions: (i) the Transfer by a Holder must be to an Affiliate of such Holder (a "Permitted Transferee") or to the Corporation, (ii) if the Transfer is to a Permitted Transferee, such Permitted Transferee must become a party to that certain Investors Rights Agreement, and (iii) the Transfer must comply with all applicable securities laws including, without limitation, the federal securities laws of the United States.

2. Registration Rights. The Company covenants and agrees as follows:

2.1 Registration Rights.

(a) Registration Demand. If at any time after the first anniversary of this Agreement, the Company receives a request from Holders of at least 25% of the Registrable Securities then outstanding that the Company file a registration statement with respect to outstanding Registrable Securities of such Holders, then the Company shall (x) within ten (10) days after the date such request is given, give notice thereof (the “Demand Notice”) to all Holders other than the Initiating Holders; and (y) as soon as practicable, and in any event within sixty (60) days after the date such request is given by the Initiating Holders, file a registration statement under the Securities Act covering all Registrable Securities that the Initiating Holders requested to be registered and any additional Registrable Securities requested to be included in such registration by any other Holders, as specified by notice given by each such Holder to the Company within twenty (20) days of the date the Demand Notice is given, and in each case, subject to the limitations of Sections 2.1(b) and 2.3. The Company shall determine in its sole discretion whether to implement the registration using Form S-1 or Form S-3.

(b) Notwithstanding the foregoing obligations, if the Company furnishes to Holders requesting a registration pursuant to this Section 2.1 a certificate signed by the Company’s chief executive officer stating that in the good faith judgment of the Company’s Board of Directors it would be materially detrimental to the Company and its stockholders for such registration statement to either become effective or remain effective for as long as such registration statement otherwise would be required to remain effective, because such action would (i) materially interfere with a significant acquisition, corporate reorganization, or other similar transaction involving the Company; (ii) require premature disclosure of material information that the Company has a bona fide business purpose for preserving as confidential; or (iii) render the Company unable to comply with requirements under the Securities Act or Exchange Act, then the Company shall have the right to defer taking action with respect to such filing, and any time periods with respect to filing or effectiveness thereof shall be tolled correspondingly, for a period of not more than one hundred twenty (120) days after the request of the Initiating Holders is given; provided, however, that the Company may not invoke this right more than twice in any twelve (12) month period.

(c) The Company shall not be obligated to effect, or to take any action to effect, any registration pursuant to Section 2.1(a) during the period that is sixty (60) days before the Company’s good faith estimate of the date of filing of, and ending on a date that is one hundred eighty (180) days after the effective date of, a Company-initiated registration, provided that the Company is actively employing in good faith commercially reasonable efforts to cause such registration statement to become effective.

2 . 2 Company Registration. If at any time after the first anniversary of this Agreement, the Company proposes to register (including, for this purpose, a registration effected by the Company for stockholders other than the Holders) any of its Common Stock under the Securities Act in connection with the public offering of such securities solely for cash (other than in an Excluded Registration), the Company shall, at such time, promptly give each Holder notice of such registration. Upon the request of each Holder given within twenty (20) days after such notice is given by the Company, the Company shall, subject to the provisions of Section 2.3, cause to be registered all of the Registrable Securities that each such Holder has requested to be included in such registration. The Company shall have the right to terminate or withdraw any registration initiated by it under this Section 2.2 before the effective date of such registration, whether or not any Holder has elected to include Registrable Securities in such registration. The expenses (other than Selling Expenses) of such withdrawn registration shall be borne by the Company in accordance with Section 2.6.

2.3 Underwriting Requirements.

(a) If, pursuant to Section 2.1, the Initiating Holders intend to distribute the Registrable Securities covered by their request by means of an underwriting, they shall so advise the Company as a part of their request made pursuant to Section 2.1, and the Company shall include such information in the Demand Notice. The underwriter(s), if any, will be selected by the Company and shall be reasonably acceptable to a majority in interest of the Initiating Holders. In such event, the right of any Holder to include such Holder’s Registrable Securities in such registration shall be conditioned upon such Holder’s participation in such underwriting and the inclusion of such Holder’s Registrable Securities in the underwriting to the extent provided herein. All Holders proposing to distribute their securities through such underwriting shall (together with the Company as provided in Section 2.4(e)) enter into an underwriting agreement in customary form with the underwriter(s) selected for such underwriting. Notwithstanding any other provision of this Section 2.3, if the underwriter(s) advise(s) the Initiating Holders in writing that marketing factors require a limitation on the number of shares to be underwritten, then the Initiating Holders shall so advise all Holders of Registrable Securities that otherwise would be underwritten pursuant hereto, and the number of Registrable Securities that may be included in the underwriting shall be allocated among such Holders of Registrable Securities, including the Initiating Holders, in proportion (as nearly as practicable) to the number of Registrable Securities owned by each Holder or in such other proportion as shall mutually be agreed to by all such selling Holders; provided, however, that the number of Registrable Securities held by the Holders to be included in such underwriting shall not be reduced unless all other securities are first entirely excluded from the underwriting. To facilitate the allocation of shares in accordance with the above provisions, the Company or the underwriters may round the number of shares allocated to any Holder to the nearest one hundred (100) shares.

(b) In connection with any offering involving an underwriting of shares of the Company's capital stock pursuant to Section 2.2, the Company shall not be required to include any of the Holders' Registrable Securities in such underwriting unless the Holders accept the terms of the underwriting as agreed upon between the Company and its underwriters, and then only in such quantity as the underwriters in their sole discretion determine will not jeopardize the success of the offering by the Company. If the total number of securities, including Registrable Securities, requested by stockholders to be included in such offering exceeds the number of securities to be sold (other than by the Company) that the underwriters in their reasonable discretion determine is compatible with the success of the offering, then the Company shall be required to include in the offering only that number of such securities, including Registrable Securities, which the underwriters and the Company in their sole discretion determine will not jeopardize the success of the offering. If the underwriters determine that less than all of the Registrable Securities requested to be registered can be included in such offering, then the Registrable Securities that are included in such offering shall be allocated among the selling Holders in proportion (as nearly as practicable) to the number of Registrable Securities owned by each selling Holder or in such other proportions as shall mutually be agreed to by all such selling Holders. To facilitate the allocation of shares in accordance with the above provisions, the Company or the underwriters may round the number of shares allocated to any Holder to the nearest one hundred (100) shares. Notwithstanding the foregoing, in no event shall (i) the number of Registrable Securities included in the offering be reduced unless all other securities (other than securities to be sold by the Company) are first entirely excluded from the offering, or (ii) the number of Registrable Securities included in the offering be reduced below twenty percent (20%) of the total number of securities included in such offering. For purposes of the provision in this Section 2.3(b) concerning apportionment, for any selling Holder that is a partnership, limited liability company, or corporation, the partners, members, retired partners, retired members, stockholders, and Affiliates of such Holder, or the estates and Immediate Family Members of any such partners, retired partners, members, and retired members and any trusts for the benefit of any of the foregoing Persons, shall be deemed to be a single "selling Holder," and any pro rata reduction with respect to such "selling Holder" shall be based upon the aggregate number of Registrable Securities owned by all Persons included in such "selling Holder," as defined in this sentence.

2.4 Obligations of the Company. Whenever required under this Section 2 to effect the registration of any Registrable Securities, the Company shall, as expeditiously as reasonably possible:

(a) prepare and file with the SEC a registration statement with respect to such Registrable Securities and use its commercially reasonable efforts to cause such registration statement to become effective and, upon the request of the Holders of a majority of the Registrable Securities registered thereunder, keep such registration statement effective for a period of up to one year or, if earlier, until the distribution contemplated in the registration statement has been completed; provided, however, that (i) such one year period shall be extended for a period of time equal to the period the Holder refrains, at the request of an underwriter of Common Stock (or other securities) of the Company, from selling any securities included in such registration, and (ii) in the case of any registration of Registrable Securities on Form S-3 that are intended to be offered on a continuous or delayed basis, subject to compliance with applicable SEC rules, such one year period shall be extended for up to one hundred eighty (180) days, if necessary, to keep the registration statement effective until all such Registrable Securities are sold;

- (b) prepare and file with the SEC such amendments and supplements to such registration statement, and the prospectus used in connection with such registration statement, as may be necessary to comply with the Securities Act in order to enable the disposition of all securities covered by such registration statement;
- (c) furnish to the selling Holders such numbers of copies of a prospectus, including a preliminary prospectus, as required by the Securities Act, and such other documents as the Holders may reasonably request in order to facilitate their disposition of their Registrable Securities;
- (d) use its commercially reasonable efforts to register and qualify the securities covered by such registration statement under such other securities or blue-sky laws of such jurisdictions as shall be reasonably requested by the selling Holders; provided that the Company shall not be required to qualify to do business or to file a general consent to service of process in any such states or jurisdictions, unless the Company is already subject to service in such jurisdiction and except as may be required by the Securities Act;
- (e) in the event of any underwritten public offering, enter into and perform its obligations under an underwriting agreement, in usual and customary form, with the underwriter(s) of such offering;
- (f) use its commercially reasonable efforts to cause all such Registrable Securities covered by such registration statement to be listed on a national securities exchange or trading system and each securities exchange and trading system (if any) on which similar securities issued by the Company are then listed;
- (g) promptly make available for inspection by the selling Holders, any underwriter(s) participating in any disposition pursuant to such registration statement, and any attorney or accountant or other agent retained by any such underwriter or selected by the selling Holders, all financial and other records, pertinent corporate documents, and properties of the Company, and cause the Company's officers, directors, employees, and independent accountants to supply all information reasonably requested by any such seller, underwriter, attorney, accountant, or agent, in each case, as necessary or advisable to verify the accuracy of the information in such registration statement and to conduct appropriate due diligence in connection therewith;
- (h) notify each selling Holder, promptly after the Company receives notice thereof, of the time when such registration statement has been declared effective or a supplement to any prospectus forming a part of such registration statement has been filed; and
- (i) after such registration statement becomes effective, notify each selling Holder of any request by the SEC that the Company amend or supplement such registration statement or prospectus.

In addition, the Company shall ensure that, at all times after any registration statement covering a public offering of securities of the Company under the Securities Act shall have become effective, its insider trading policy shall provide that the Company's directors may implement a trading program under Rule 10b5-1 of the Exchange Act.

2 . 5 Furnish Information. It shall be a condition precedent to the obligations of the Company to take any action pursuant to this Section 2 with respect to the Registrable Securities of any selling Holder that such Holder shall furnish to the Company such information regarding itself, the Registrable Securities held by it, and the intended method of disposition of such securities as is reasonably required to effect the registration of such Holder's Registrable Securities.

2 . 6 Expenses of Registration. All expenses (other than Selling Expenses) incurred in connection with registrations, filings, or qualifications pursuant to Section 2, including all registration, filing, and qualification fees, printers' and accounting fees, and fees and disbursements of counsel for the Company, shall be borne and paid by the Company. All Selling Expenses relating to Registrable Securities registered pursuant to this Section 2 shall be borne and paid by the Holders pro rata on the basis of the number of Registrable Securities registered on their behalf.

2.7 Delay of Registration. No Holder shall have any right to obtain or seek an injunction restraining or otherwise delaying any registration pursuant to this Agreement as the result of any controversy that might arise with respect to the interpretation or implementation of this Section 2.

2.8 Indemnification. If any Registrable Securities are included in a registration statement under this Section 2:

(a) To the extent permitted by law, the Company will indemnify and hold harmless each selling Holder, and the partners, members, officers, directors, and stockholders of each such Holder; legal counsel and accountants for each such Holder; any underwriter (as defined in the Securities Act) for each such Holder; and each Person, if any, who controls such Holder or underwriter within the meaning of the Securities Act or the Exchange Act, against any Damages, and the Company will pay to each such Holder, underwriter, controlling Person, or other aforementioned Person any legal or other expenses reasonably incurred thereby in connection with investigating or defending any claim or proceeding from which Damages may result, as such expenses are incurred; provided, however, that the indemnity agreement contained in this Section 2.8(a) shall not apply to amounts paid in settlement of any such claim or proceeding if such settlement is effected without the consent of the Company, which consent shall not be unreasonably withheld, nor shall the Company be liable for any Damages to the extent that they arise out of or are based upon actions or omissions made in reliance upon and in conformity with written information furnished by or on behalf of any such Holder, underwriter, controlling Person, or other aforementioned Person expressly for use in connection with such registration.

(b) To the extent permitted by law, each selling Holder, severally and not jointly, will indemnify and hold harmless the Company, and each of its directors, each of its officers who has signed the registration statement, each Person (if any), who controls the Company within the meaning of the Securities Act, legal counsel and accountants for the Company, any underwriter (as defined in the Securities Act), any other Holder selling securities in such registration statement, and any controlling Person of any such underwriter or other Holder, against any Damages, in each case only to the extent that such Damages arise out of or are based upon actions or omissions made in reliance upon and in conformity with written information furnished by or on behalf of such selling Holder expressly for use in connection with such registration; and each such selling Holder will pay to the Company and each other aforementioned Person any legal or other expenses reasonably incurred thereby in connection with investigating or defending any claim or proceeding from which Damages may result, as such expenses are incurred; provided, however, that the indemnity agreement contained in this Section 2.8(b) shall not apply to amounts paid in settlement of any such claim or proceeding if such settlement is effected without the consent of the Holder, which consent shall not be unreasonably withheld; and provided further that in no event shall the aggregate amounts payable by any Holder by way of indemnity or contribution under Sections 2.8(b) and 2.8(d) exceed the proceeds from the offering received by such Holder (net of any Selling Expenses paid by such Holder), except in the case of fraud or willful misconduct by such Holder.

(c) Promptly after receipt by an indemnified party under this Section 2.8 of notice of the commencement of any action (including any governmental action) for which a party may be entitled to indemnification hereunder, such indemnified party will, if a claim in respect thereof is to be made against any indemnifying party under this Section 2.8, give the indemnifying party notice of the commencement thereof. The indemnifying party shall have the right to participate in such action and, to the extent the indemnifying party so desires, participate jointly with any other indemnifying party to which notice has been given, and to assume the defense thereof with counsel mutually satisfactory to the parties; provided, however, that an indemnified party (together with all other indemnified parties that may be represented without conflict by one counsel) shall have the right to retain one separate counsel, with the fees and expenses to be paid by the indemnifying party, if representation of such indemnified party by the counsel retained by the indemnifying party would be inappropriate due to actual or potential differing interests between such indemnified party and any other party represented by such counsel in such action.

(d) To provide for just and equitable contribution to joint liability under the Securities Act in any case in which either: (i) any party otherwise entitled to indemnification hereunder makes a claim for indemnification pursuant to this Section 2.8 but it is judicially determined (by the entry of a final judgment or decree by a court of competent jurisdiction and the expiration of time to appeal or the denial of the last right of appeal) that such indemnification may not be enforced in such case, notwithstanding the fact that this Section 2.8 provides for indemnification in such case, or (ii) contribution under the Securities Act may be required on the part of any party hereto for which indemnification is provided under this Section 2.8, then, and in each such case, such parties will contribute to the aggregate losses, claims, damages, liabilities, or expenses to which they may be subject (after contribution from others) in such proportion as is appropriate to reflect the relative fault of each of the indemnifying party and the indemnified party in connection with the statements, omissions, or other actions that resulted in such loss, claim, damage, liability, or expense, as well as to reflect any other relevant equitable considerations. The relative fault of the indemnifying party and of the indemnified party shall be determined by reference to, among other things, whether the untrue or allegedly untrue statement of a material fact, or the omission or alleged omission of a material fact, relates to information supplied by the indemnifying party or by the indemnified party and the parties' relative intent, knowledge, access to information, and opportunity to correct or prevent such statement or omission; provided, however, that, in any such case (x) no Holder will be required to contribute any amount in excess of the public offering price of all such Registrable Securities offered and sold by such Holder pursuant to such registration statement, and (y) no Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) will be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation; and provided further that in no event shall a Holder's liability pursuant to this Section 2.8(d), when combined with the amounts paid or payable by such Holder pursuant to Section 2.8(b), exceed the proceeds from the offering received by such Holder (net of any Selling Expenses paid by such Holder), except in the case of willful misconduct or fraud by such Holder.

(e) Notwithstanding the foregoing, to the extent that the provisions on indemnification and contribution contained in the underwriting agreement entered into in connection with the underwritten public offering are in conflict with the foregoing provisions, the provisions in the underwriting agreement shall control.

(f) Unless otherwise superseded by an underwriting agreement entered into in connection with the underwritten public offering, the obligations of the Company and Holders under this Section 2.8 shall survive the completion of any offering of Registrable Securities in a registration under this Section 2, and otherwise shall survive the termination of this Agreement.

2.9 Reports Under Exchange Act. With a view to making available to the Holders the benefits of SEC Rule 144 and any other rule or regulation of the SEC that may at any time permit a Holder to sell securities of the Company to the public without registration or pursuant to a registration on Form S-3, the Company shall:

(a) use commercially reasonable efforts to make and keep available adequate current public information, as those terms are understood and defined in SEC Rule 144, at all times;

(b) use commercially reasonable efforts to file with the SEC in a timely manner all reports and other documents required of the Company under the Securities Act and the Exchange Act (at any time after the Company has become subject to such reporting requirements); and

(c) furnish to any Holder, so long as the Holder owns any Registrable Securities, forthwith upon request (i) to the extent accurate, a written statement by the Company that it has complied with the reporting requirements of SEC Rule 144, the Securities Act, and the Exchange Act (at any time after the Company has become subject to such reporting requirements), or that it qualifies as a registrant whose securities may be resold pursuant to Form S-3 (at any time at which the Company so qualifies); (ii) a copy of the most recent annual or quarterly report of the Company and such other reports and documents so filed by the Company; and (iii) such other information as may be reasonably requested in availing any Holder of any rule or regulation of the SEC that permits the selling of any such securities without registration (at any time after the Company has become subject to the reporting requirements under the Exchange Act) or pursuant to Form S-3 (at any time after the Company so qualifies to use such form).

2.10 "Market Stand-off" Agreement. Each Holder hereby agrees that it will not, without the prior written consent of the managing underwriter, during the period commencing on the date of the final prospectus relating to the registration by the Company for its own behalf of shares of its Common Stock or any other equity securities under the Securities Act on a registration statement on Form S-1 or Form S-3 and ending on the date specified by the Company and the managing underwriter (such period not to exceed 120 days, or such other period as may be requested by the Company or an underwriter to accommodate regulatory restrictions on (1) the publication or other distribution of research reports, and (2) analyst recommendations and opinions, including, but not limited to, the restrictions contained in FINRA Rule 2711(f)(4) or NYSE Rule 472(f)(4), or any successor provisions or amendments thereto), (i) lend; offer; pledge; sell; contract to sell; sell any option or contract to purchase; purchase any option or contract to sell; grant any option, right, or warrant to purchase; or otherwise transfer or dispose of, directly or indirectly, any shares of Common Stock or any securities convertible into or exercisable or exchangeable (directly or indirectly) for Common Stock (whether such shares or any such securities are then owned by the Holder or are thereafter acquired) or (ii) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of such securities, whether any such transaction described in clause (i) or (ii) above is to be settled by delivery of Common Stock or other securities, in cash, or otherwise. The foregoing provisions of this Section 2.10 shall not apply to the sale of any shares to an underwriter pursuant to an underwriting agreement, or the transfer of any shares to any trust for the direct or indirect benefit of the Holder or the immediate family of the Holder, provided that the trustee of the trust agrees to be bound in writing by the restrictions set forth herein, and provided further that any such transfer shall not involve a disposition for value, and shall be applicable to the Holders only if all officers and directors are subject to the same restrictions. The underwriters in connection with such registration are intended third-party beneficiaries of this Section 2.10 and shall have the right, power and authority to enforce the provisions hereof as though they were a party hereto. Each Holder further agrees to execute such agreements as may be reasonably requested by the underwriters in connection with such registration that are consistent with this Section 2.10 or that are necessary to give further effect thereto.

2.11 Restrictions on Transfer.

(a) The Series A Preferred Stock and the Registrable Securities shall not be sold, pledged, or otherwise transferred, and the Company shall not recognize and shall issue stop-transfer instructions to its transfer agent with respect to any such sale, pledge, or transfer, except upon the conditions specified in this Agreement, which conditions are intended to ensure compliance with the provisions of the Securities Act. A transferring Holder will cause any proposed purchaser, pledgee, or transferee of the Series A Preferred Stock and, if required by applicable law, the Registrable Securities held by such Holder to agree to take and hold such securities subject to the provisions and upon the conditions specified in this Agreement.

(b) Each certificate, instrument, or book entry representing (i) the Series A Preferred Stock, (ii) the Registrable Securities, and (iii) any other securities issued in respect of the securities referenced in clauses (i) and (ii), upon any stock split, stock dividend, recapitalization, merger, consolidation, or similar event, shall (unless otherwise permitted by the provisions of Section 2.11(c)) be notated with a legend substantially in the following form:

[NEITHER] THIS SECURITY [NOR THE SECURITIES INTO WHICH THIS SECURITY IS CONVERTIBLE] HAS [NOT] BEEN REGISTERED WITH THE SECURITIES AND EXCHANGE COMMISSION OR THE SECURITIES COMMISSION OF ANY STATE IN RELIANCE UPON AN EXEMPTION FROM REGISTRATION UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT"), AND, ACCORDINGLY, MAY NOT BE OFFERED OR SOLD EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT OR PURSUANT TO AN AVAILABLE EXEMPTION FROM, OR IN A TRANSACTION NOT SUBJECT TO, THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT AND IN ACCORDANCE WITH APPLICABLE STATE SECURITIES LAWS AS EVIDENCED BY A LEGAL OPINION OF COUNSEL TO THE TRANSFEROR TO SUCH EFFECT, THE SUBSTANCE OF WHICH SHALL BE REASONABLY ACCEPTABLE TO THE COMPANY. THIS SECURITY [AND THE SECURITIES ISSUABLE UPON CONVERSION OF THIS SECURITY] MAY BE PLEDGED IN CONNECTION WITH A BONA FIDE MARGIN ACCOUNT WITH A REGISTERED BROKER-DEALER OR OTHER LOAN WITH A FINANCIAL INSTITUTION THAT IS AN "ACCREDITED INVESTOR" AS DEFINED IN RULE 501(a) UNDER THE SECURITIES ACT OR OTHER LOAN SECURED BY SUCH SECURITIES.

[THE SECURITIES REPRESENTED HEREBY MAY BE TRANSFERRED ONLY IN ACCORDANCE WITH THE TERMS OF AN AGREEMENT BETWEEN THE COMPANY AND THE STOCKHOLDER, AND THE CERTIFICATE OF DESIGNATION, COPIES OF WHICH ARE ON FILE WITH THE SECRETARY OF THE COMPANY.]

The Holders consent to the Company making a notation in its records and giving instructions to any transfer agent of the Restricted Securities in order to implement the restrictions on transfer set forth in this [Section 2.11](#).

(c) The holder of such Restricted Securities, by acceptance of ownership thereof, agrees to comply in all respects with the provisions of this [Section 2](#). Before any proposed sale, pledge, or transfer of any Restricted Securities, unless there is in effect a registration statement under the Securities Act covering the proposed transaction, the Holder thereof shall give notice to the Company of such Holder's intention to effect such sale, pledge, or transfer. Each such notice shall describe the manner and circumstances of the proposed sale, pledge, or transfer in sufficient detail and, if reasonably requested by the Company, shall be accompanied at such Holder's expense by either (i) a written opinion of legal counsel who shall, and whose legal opinion shall, be reasonably satisfactory to the Company, addressed to the Company, to the effect that the proposed transaction may be effected without registration under the Securities Act; (ii) a "no action" letter from the SEC to the effect that the proposed sale, pledge, or transfer of such Restricted Securities without registration will not result in a recommendation by the staff of the SEC that action be taken with respect thereto; or (iii) any other evidence reasonably satisfactory to counsel to the Company to the effect that the proposed sale, pledge, or transfer of the Restricted Securities may be effected without registration under the Securities Act, whereupon the Holder of such Restricted Securities shall be entitled to sell, pledge, or transfer such Restricted Securities in accordance with the terms of the notice given by the Holder to the Company. The Company will not require such a legal opinion or "no action" letter (x) in any transaction in compliance with SEC Rule 144; or (y) in any transaction in which such Holder distributes Restricted Securities to an Affiliate of such Holder for no consideration, provided that each such Affiliate agrees in writing to be subject to the terms of this [Section 2.11](#). Each certificate, instrument, or book entry representing the Restricted Securities transferred as above provided shall be notated with, except if such transfer is made pursuant to SEC Rule 144, the appropriate restrictive legend set forth in [Section 2.11\(b\)](#), except that such certificate instrument, or book entry shall not be notated with such restrictive legend if, in the opinion of counsel for such Holder and the Company, such legend is not required in order to establish compliance with any provisions of the Securities Act.

2.12 [Termination of Registration Rights](#). 3. [Confidentiality](#). Each Holder agrees that such Holder will keep confidential and will not disclose, divulge, or use for any purpose (other than to monitor its investment in the Company) any confidential information obtained from the Company (including notice of the Company's intention to file a registration statement), unless such confidential information (a) is known or becomes known to the public in general (other than as a result of a breach of this [Section 3](#) by such Holder), (b) is or has been independently developed or conceived by the Holder without use of the Company's confidential information, or (c) is or has been made known or disclosed to the Holder by a third party without a breach of any obligation of confidentiality such third party may have to the Company; provided, however, that a Holder may disclose confidential information (i) to its attorneys, accountants, consultants, and other professionals to the extent necessary to obtain their services in connection with monitoring its investment in the Company; (ii) to any prospective purchaser of any Registrable Securities from such Holder, if such prospective purchaser agrees to be bound by the provisions of this [Section 3](#); (iii) to any existing or prospective Affiliate, partner, member, stockholder, or wholly owned subsidiary of such Holder in the ordinary course of business, provided that such Holder informs such Person that such information is confidential and directs such Person to maintain the confidentiality of such information; or (iv) as may otherwise be required by law, provided that the Holder promptly notifies the Company of such disclosure and takes reasonable steps to minimize the extent of any such required disclosure.

4 . Investor Participation in Future Equity Financings. Subject to the terms and conditions of this Section 4 and applicable securities laws, if the Company proposes to offer or sell any New Securities, the Company shall first offer such New Securities to the Investor.

(a) The Company shall give notice (the “Offer Notice”) to the Investor, stating (i) its bona fide intention to offer such New Securities, (ii) the number of such New Securities to be offered, and (iii) the price and terms, if any, upon which it proposes to offer such New Securities.

(b) By notification to the Company within twenty (20) days after the Offer Notice is given, the Investor may elect to purchase or otherwise acquire, at the price and on the terms specified in the Offer Notice, up to that portion of such New Securities which equals the proportion that the Common Stock then held by the Investor and its Affiliates (including all shares of Common Stock then issuable (directly or indirectly) upon conversion and/or exercise, as applicable, of the Series A Preferred Stock then held by the Investor and its Affiliates) bears to the total Common Stock of the Company then outstanding (assuming full conversion and/or exercise, as applicable, of all Series A Preferred Stock). The closing of any sale pursuant to this Section 4(b) shall occur within the later of thirty (30) days of the date that the Offer Notice is given and the date of initial sale of New Securities pursuant to Section 4(c).

(c) If all New Securities referred to in the Offer Notice are not elected to be purchased or acquired as provided in Section 4(b), the Company may, during the ninety (90) day period following the expiration of the periods provided in Section 4(b), offer and sell the remaining unsubscribed portion of such New Securities to any Person or Persons at a price not less than, and upon terms no more favorable to the offeree than, those specified in the Offer Notice. If the Company does not enter into an agreement for the sale of the New Securities within such period, or if such agreement is not consummated within thirty (30) days of the execution thereof, the right provided hereunder shall be deemed to be revived and such New Securities shall not be offered unless first reoffered to the Investor in accordance with this Section 4.

(d) The right of first offer in this Section 4 shall not be applicable to (i) any equity securities issued in connection with the conversion of any convertible security outstanding as of the Original Issue Date, as defined in the Certificate of Designation, (ii) any exercise of a warrant or option outstanding as of the Original Issue Date, as defined in the Certificate of Designation, (iii) any options or shares of Common Stock issued pursuant to any plan adopted by the Company for the benefit of its employees, executive officers, directors or consultants, (iv) any shares of Common Stock issued in connection with an acquisition, asset purchase agreement or joint venture agreement, (v) any issuance of Common Stock to Aspire Capital Fund, LLC, and (vi) any issuance of Common Stock in connection with a stock split or in connection with a dividend payable in Common Stock.

(e) Notwithstanding any provision hereof to the contrary, in lieu of complying with the provisions of this Section 4, the Company may elect to give notice to the Investor within thirty (30) days after the issuance of New Securities. Such notice shall describe the type, price, and terms of the New Securities. The Investor shall have twenty (20) days from the date notice is given to elect to purchase up to the number of New Securities that would, if purchased by the Investor, maintain the Investor’s percentage-ownership position, calculated as set forth in Section 4(b) before giving effect to the issuance of such New Securities. The closing of such sale shall occur within sixty (60) days of the date notice is given to the Investor.

(f) The covenants set forth in Section 4 shall terminate and be of no further force or effect immediately upon the third (3rd) anniversary of the date hereof.

5 . Voting Rights. The Investor hereby grants an irrevocable proxy (which proxy is coupled with an interest) to the Company’s Board of Directors authorizing and directing the Board of Directors to vote all Excess Shares (as defined below) at any stockholders’ meeting or in an action by written consent in the same proportion as the shares of Common Stock that are voted at such meeting or by such written consent which are not beneficially owned by the Investor on the record date for such meeting or such written consent. “Excess Shares” shall mean the number of shares of Common Stock held or voted by the Investor and its Affiliates or any member of a “group” (as defined under Section 13(d) of the Exchange Act) including the Investor or its Affiliates or other parties acting in concert with the Investor or its Affiliates, in the aggregate, that is in excess of 9.99% of the issued and outstanding Common Stock of the Company.

- (b) after the first anniversary of the Conversion Date, each Holder may freely transfer shares of Common Stock.

6.2 Compliance with Nasdaq Rules.

- (a) No Holder shall exercise its Conversion Rights at any time, if the exercise of the Conversion Rights would cause such Holder (together with its Affiliates) to own greater than 19.99% of the issued and outstanding shares of Common Stock prior to the time that the Company shall have received stockholder approval in accordance with Nasdaq Rules.
- (b) The Company shall seek stockholder approval for the issuance of Common Stock to the Holders in excess of 19.99% of the issued and outstanding shares of Common Stock at the earlier of (i) the Company's next annual meeting of stockholders, or (ii) any earlier special meeting of stockholders unless the Company's Board of Directors determines that soliciting approval at such special meeting in connection with this Section 6.2 would be materially detrimental to the approval of the other proposals to be considered thereat.

RESTON, VA. – August 3, 2016 – Lightbridge Corporation (**NASDAQ: LTBR**), a U.S. nuclear fuel technology company, today provided a general business update and announced that it has received formal notification from the Listing Qualifications Department of The NASDAQ Stock Market ("NASDAQ") notifying Lightbridge that it has approved the Company's continued listing on the NASDAQ following the one-for-five reverse stock split of the Company's common stock completed on July 20, 2016, and closing of the previously announced \$2.8 million convertible preferred financing with General International Holdings Inc. (GIH), an entity controlled by Mr. Xingping Hou. In connection with the \$2.8 million financing, the Company has appointed Mr. Hou as co-Chairman of the Company's Board of Directors. Ambassador Thomas Graham, Jr. will remain Executive Chairman of the Board.

Seth Grae, President & Chief Executive Officer of Lightbridge Corporation, commented, "We are pleased that Lightbridge stock will continue to trade on the NASDAQ. We are also happy to have closed the previously announced \$2.8 million financing with GIH at a significant premium to the market price at the time of the agreement. This investment, combined with a \$1 million investment and additional funding commitment of \$4 million from Aspire Capital announced in June, strengthens our balance sheet while allowing us to continue executing on our business plan. We believe the terms of the \$2.8 million financing were favorable for shareholders and we appreciate the support Mr. Hou has shown following his due diligence. We are pleased to welcome him to Lightbridge's board of directors and look forward to leveraging his relationships throughout Asia."

“On July 12, 2016, Lightbridge, along with representatives from AREVA and nuclear utilities, met with officials from the U. S. Department of Energy (DOE). The meeting focused on the status of the Lightbridge all-metal nuclear fuel development program and potential opportunities associated with the DOE loan guarantee program that may be helpful to the project. The parties also discussed the potential value of certain DOE assets, such as the Transient Reactor Test Facility and other test facilities, as well as analytical support that can be provided by U.S. national laboratories. Specifically, the national laboratories could analyze changes in the nuclear industry infrastructure in support of obtaining the requisite U.S. Nuclear Regulatory Commission approval for deploying the all-metal fuel. Additional follow-up meetings are expected to discuss specific steps for collaboration with the DOE and its national laboratories in areas of mutual interest.”

“We are also pleased to announce that Lightbridge Vice President Jonathan Baggett has returned to our U.S. corporate offices after two years based in Seoul, South Korea advising the company’s customers and partners. Given his exemplary performance and valuable skill set, Jonathan has been awarded the additional role of Deputy Quality Assurance Manager. In that capacity, he will work closely with Rene’ Delaney, Quality Assurance Manager of Lightbridge, overseeing quality assurance aspects of our nuclear fuel program to ensure compliance with NQA-1 and 10 CFR 50, Appendix B requirements. In preparation for irradiation testing of our nuclear fuel samples at the Halden research reactor, he will participate in a quality assurance visit by the Lightbridge team to Norway in the fall of 2016.”
