**Item 1.01 Entry into a Material Definitive Agreement.**

**Item 3.02 Unregistered Sales of Equity Securities.**

On May 4, 2006, Novastar Resources Ltd. (“we” or the “Company”) completed a private placement with a number of institutional investors, including Magnetar Capital Master Fund, Ltd., clients of Wellington Management Company, LLP, clients of Highfields Capital Management LP, clients of Cumberland Associates LLC, SF Capital Partners Ltd., Sunrise Equity Partners, L.P., and several other institutional investors as well as several accredited individual investors. The aggregate number of Units purchased by all investors (each a “Subscriber” and collectively, the “Subscribers”) in connection with this private placement was 36,659,837 Units at a price of \$0.425 per Unit, for a total of \$15,580,434.20 (the “Offering”). On May 4, 2006, the 200 day moving average stock price for the Company was \$0.44 per share. Each Unit consists of one share of the Company’s common stock (each, a “Share”) and one-half of one share of common stock purchase warrant (each whole share purchase warrant, a “Warrant”). Each whole Warrant is non transferable and entitles the holder to purchase one additional share of common stock (each, a “Warrant Share”) of the Company for a period of 12 months after the closing date of the Offering at a price per Warrant Share of \$0.65.

A list of the Subscribers in the Offering is set forth in Exhibit 99.1 attached hereto.

The Units were sold pursuant to a subscription agreement (the “Subscription Agreement”) between the Company and each Subscriber in the Offering. The Company also entered into a registration rights letter agreement (the “Registration Rights Agreement”) with each Subscriber in the Offering. Among other things, the Registration Rights Agreement requires the Company to file a Registration Statement on Form SB-2 (or if Form SB-2 is not available, on such other form that is available) with the Securities and Exchange Commission (“SEC”) simultaneous with the filing of a registration statement on Form S-4 in connection with the proposed merger of the Company with Thorium Power, Inc., or within 15 days thereafter, to enable the resale of the Shares and the Warrant Shares by the Subscribers. The Registration Rights Agreement also requires the Company to use reasonable best efforts to cause the Registration Statement to be declared effective as soon as possible, but in any event not later than the earlier of (a) the 120<sup>th</sup> day following the closing date of the Offering referenced in the Subscription Agreement and (b) the fifth trading day following the date on which the Company is notified by the SEC that the Registration Statement will not be reviewed or is no longer subject to further review and comments. The Registration Rights Agreement also requires the Company to use reasonable best efforts to keep the Registration Statement effective until the earlier of (i) two years from the date of the final exercise of all the Warrants, (ii) the date on which the Subscriber may sell all Shares and Warrant Shares then held by the Subscriber pursuant to Rule 144 without restriction as to the number of securities as of a particular date that can then be immediately sold, or (iii) the public sale of all of the Shares and the Warrant Shares (such period, the “Effectiveness Period”). If the Registration Statement is not filed within the time frame described above, then the Company shall issue to each Subscriber cash or additional Units (at the Subscriber’s

---

option), as liquidated damages, equal to 2% of the number of Units for which the Subscriber subscribed on each monthly anniversary of the failure to file (if the failure has not been cured by such date). If the Registration Statement is not declared effective within the time frame described above, then the Company shall issue to the Subscriber cash or additional Units (at the Subscriber's option), as liquidated damages, equal to 2% of the number of Units for which the Subscriber subscribed on each monthly anniversary of the failure to be declared effective (if the failure has not been cured by such date). If the Registration Statement ceases to be effective after the date first declared effective by the SEC and prior to the expiration of the Effectiveness Period, then the Company shall issue to each Subscriber cash or additional Units (at the Subscriber's option), as liquidated damages, equal to 2% of the number of Units for which the Subscriber subscribed on each monthly anniversary of the Registration Statement ceasing to be effective (if the failure has not been cured by such date). In no event, however, shall the aggregate amount of cash or number of Units issued as liquidated damages in the case of (a) a failure to file (as described above), (b) a failure to be declared effective (as described above) or (c) the Registration Statement ceasing to be effective (as described above), exceed 12% of the amount of cash paid or the number of Units paid for by the Subscriber.

Each Subscriber in the Offering confirmed in writing that it is an accredited investor and represented its intention to acquire the securities for investment purposes and not with a view to distribution. The Company did not use, and no person acting on its behalf used, any form of general solicitation or general advertising in connection with the Offering. Appropriate legends shall be affixed to the stock certificates to be issued to each Subscriber. Each Subscriber acknowledged that the sale of the securities was not registered under the Securities Act of 1933, as amended, and that the securities could not be resold unless the securities were registered or an exemption from registration was available. As a result of the foregoing, the Company relied on the provisions of Rule 506 of Regulation D promulgated under the Securities Act of 1933, as amended, for the issuance of the securities.

THE FOREGOING IS NOT INTENDED TO BE A FULL AND COMPLETE DESCRIPTION OF THE OFFERING. THE ABOVE DESCRIPTION OF, AMONG OTHER THINGS, THE TERMS OF THE OFFERING IS QUALIFIED IN ITS ENTIRETY BY THE SUBSCRIPTION AGREEMENT, THE WARRANT AND THE REGISTRATION RIGHTS AGREEMENT, ALL ATTACHED AS EXHIBITS TO THIS CURRENT REPORT ON FORM 8-K.

#### **4. EXERCISE OF WARRANTS**

##### **4.1 Method of Exercise of Warrants**

The right to purchase shares conferred by the Warrants may be exercised by the Holder surrendering the Warrant Certificate representing same, with a duly completed and executed subscription in the form attached hereto ("Form of Subscription") and a bank draft or certified check payable to or to the order of the Company, at par, in New York, New York, for the purchase price applicable at the time of surrender in respect of the Shares subscribed for in lawful money of the United States of America, to the Company at the address set forth in, or from time to time specified by the Company pursuant to, Section 3.2. Notwithstanding the foregoing, the Warrants may be exercised and payment received for the Warrant Shares in any manner mutually agreed to by the Company and the Holder.

##### **4.2 Effect of Exercise of Warrants**

- (a) Upon surrender and payment as aforesaid the Shares so subscribed for will be deemed to have been issued and such Person or Persons will be deemed to have become the Holder or Holders of record of such Shares on the date of such surrender and payment, and such Shares will be issued at the subscription price in effect on the date of such surrender and payment.
- (b) Within ten business days after surrender and payment as aforesaid, the Company will forthwith cause to be delivered to the Person or Persons in whose name or names the Shares so subscribed for are to be issued as specified in such subscription or mailed to him or them at his or their respective addresses specified in such subscription, a certificate or certificates for the appropriate number of Shares not exceeding those which the Holder is entitled to purchase pursuant to the Warrant surrendered.

##### **4.3 Subscription for Less Than Entitlement**

The Holder of any Warrant may subscribe for and purchase a number of Shares less than the number which he is entitled to purchase pursuant to the surrendered Warrant. In the event of any purchase of a number of Shares less than the number which can be purchased pursuant to a Warrant, the Holder thereof upon exercise thereof will in addition be entitled to receive a new Warrant in respect of the balance of the Shares which he was entitled to purchase pursuant to the surrendered Warrant and which were not then purchased.

#### 4.4. Warrant for Fractions of Shares

To the extent that the Holder of any Warrant is entitled to receive on the exercise or partial exercise thereof a fraction of a share, such right may be exercised in respect of such fraction only in combination with another Warrant or other Warrants which in the aggregate entitle the Holder to receive a whole number of such Shares.

#### 4.5 Expiration of Warrants

After the expiration of the period within which a Warrant is exercisable, all rights thereunder will wholly cease and terminate and such Warrant will be void and of no effect.

#### 4.6 Time of Essence

Time will be of the essence hereof.

#### 4.7 Subscription Price

Each Warrant is exercisable at a price per share (the "Exercise Price") of US\$0.65. One (1) Warrant and the Exercise Price are required to subscribe for each share during the term of the Warrants.

#### 4.8. Adjustment of Exercise Price

(a) The Exercise Price and the number of Shares deliverable upon the exercise of the Warrants will be subject to adjustment in the event and in the manner following:

(i) If and whenever the Shares at any time outstanding are subdivided into a greater or consolidated into a lesser number of Shares the Exercise Price will be decreased or increased proportionately as the case may be; upon any such subdivision or consolidation the number of shares deliverable upon the exercise of the Warrants will be increased or decreased proportionately as the case may be.

(ii) In case of any capital reorganization or of any reclassification of the capital of the Company or in the case of the consolidation, merger or amalgamation of the Company with or into any other Company (hereafter collectively referred to as a "Reorganization"), each Warrant will after such Reorganization confer the right to purchase the number of Shares or other securities of the Company (or of the company resulting from such Reorganization) which the Holder would have been entitled to upon Reorganization if the Holder had been a shareholder at the time of the Reorganization.

In any such case, if necessary, appropriate adjustments will be made in the application of the provisions of this Article Four relating to the rights and interest thereafter of the Holders of the Warrants so that the provisions of this Article Four will be made applicable as nearly as reasonably possible to any Shares or other securities deliverable after the Reorganization on the exercise of the Warrants.

The subdivision or consolidation of Shares at any time outstanding into a greater or lesser number of Shares (whether with or without par value) will not be deemed to be a Reorganization for the purposes of this clause 4.8(a)(ii).

(b) The adjustments provided for in this Section 4.8 are cumulative and will become effective immediately after the record date or, if no record date is fixed, the effective date of the event which results in such adjustments.

4.9 Determination of Adjustments

If any questions will at any time arise with respect to the Exercise Price or any adjustment provided for in Section 4.8, such questions will be conclusively determined by the Company's Auditors, or, if they decline to so act any other firm of certified public accountants in the United States of America that the Company may designate and who will have access to all appropriate records and such determination will be binding upon the Company and the Holders of the Warrants.

5. **COVENANTS BY THE COMPANY**

5.1 Reservation of Shares

The Company will reserve and there will remain unissued out of its authorized capital a sufficient number of Shares to satisfy the rights of purchase provided for herein and in the Warrants should the Holders of all the Warrants from time to time outstanding determine to exercise such rights in respect of all shares which they are or may be entitled to purchase pursuant thereto and hereto.

6. **MODIFICATION OF TERMS, MERGER, SUCCESSORS**

6.1 Modification of Terms and Conditions for Certain Purposes

From time to time the Company may, subject to the provisions of these presents, modify the Terms and Conditions hereof, for the purpose of correction or rectification of any ambiguities, defective provisions, errors or omissions herein.

6.2 Warrant Not Transferable

The Warrant and all rights attached to it are not transferable. Notwithstanding the foregoing, the Warrants and all rights attached to it may be transferred to an affiliate or parent of the Holder provided that the transferee executes an instrument of adherence binding them to the provisions contained herein.

DATED as of the date first above written in these Terms and Conditions.

TO THE NOVASTAR RESOURCES LTD. SUBSCRIBERS

Ladies and Gentlemen:

Reference is made to that certain Confidential Private Placement Subscription Agreement (the "Subscription Agreement"), a form of which is attached hereto as Exhibit 1, by and between Novastar Resources Ltd. (the "Company") and you. Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in the Subscription Agreement.

The Company is pleased to announce that it will register with the SEC the Shares and Warrant Shares to be issued in connection with the Subscription. This letter agreement (this "Letter Agreement") sets forth the terms and conditions under which such Shares and Warrant Shares shall be registered with the SEC.

Section 1.       Registration Procedures and Other Matters

- (a)       The Company shall:
- (i)       simultaneous with the filing of a registration statement on Form S-4 in connection with the proposed merger with Thorium Power, Inc., or within fifteen (15) days thereafter, file a registration statement on Form SB-2 (or, if Form S-B2 is not then available, on such form of registration statement as is then available to effect a registration of the Shares and Warrant Shares) to enable the resale of the Shares and the Warrant Shares by the Subscribers from time to time (the "Registration Statement");
  - (ii)      use reasonable best efforts to cause the Registration Statement to be declared effective by the SEC as soon as possible, but in any event not later than the earlier of (a) the 120<sup>th</sup> day following the Closing Date, and (b) the fifth trading day following the date on which the Company is notified by the SEC that the Registration Statement will not be reviewed or is no longer subject to further review and comments;
  - (iii)     use reasonable best efforts to prepare and file with the SEC such amendments and supplements to the Registration Statement and the prospectus used in connection
-

therewith (the “Prospectus”) as may be necessary to keep the Registration Statement continuously current, effective and free from any material misstatement or omission to state a material fact for a period not exceeding, with respect to the Subscriber’s Shares and Warrant Shares purchased hereunder from the date it is first declared effective until, the earlier of (A) two years from the date of the final exercise of all of the Warrants, (B) the date on which the Subscriber may sell all Shares and Warrant Shares then held by the Subscriber pursuant to Rule 144 without any restriction as to the number of securities as of a particular date that can then be immediately sold, or (C) the public sale of all of the Shares and the Warrant Shares (such period, the “Effectiveness Period”);

- (iv) if (A) the Registration Statement is not filed on or prior to the date of filing required pursuant to Section 1(a)(i), (B) the Registration Statement is not declared effective on or prior to the date required by Section 1(a)(ii), or (C) notwithstanding Section 2, after the date first declared effective by the SEC and prior to the expiration of the Effectiveness Period, the Registration Statement ceases to be effective and available to each subscriber as to its Shares and Warrant Shares (whether pursuant to Section 2(c), or otherwise) without being succeeded within 20 trading days by an effective amendment thereto or by a subsequent registration statement filed with and declared effective by the SEC (any such failure being referred to as an “Event” and the date of such failure being the “Event Date”), then, in addition to any other rights available to the Subscriber under the Subscription Agreement or applicable law: (x) on the failure by the Company to comply with the Event required pursuant to Section 1(a)(i) the Company shall issue to the Subscriber cash or additional Units, at the sole option of the Subscriber, as liquidated damages and not as a penalty, equal to 2% of the number of Units for which the Subscriber subscribed on each monthly anniversary of such Event Date (if the Event has not been cured by such date); (y) on the failure by the Company to comply with the Event required pursuant to Section 1(a)(ii) or the occurrence of the Event set forth in Section 1 (a)(iv)(C) and on each monthly anniversary of such Event Dates (if the Event has not been cured by such date) until the applicable Event is cured, the Company shall issue to the Subscriber cash or additional Units, at the sole option of the Subscriber, as liquidated damages and not as a penalty, equal to 2% of the number of Units for which the Subscriber subscribed on each monthly anniversary of such Event Date (if the Event has not been cured by such date); and (z) in the case of each of (x) and (y) above, in no event shall the aggregate amount of cash or number of Units issued as liquidated damages exceed 12% of the amount of cash paid or the number of Units paid for by the Subscriber. The liquidated damages pursuant to the terms hereof shall apply on a pro rata basis for any portion of a month prior to the cure of an Event;
- (v) furnish to the Subscriber with respect to the Shares and the Warrant Shares registered under the Registration Statement such number of copies of the Registration Statement, Prospectuses and Preliminary Prospectuses in conformity with the requirements of the Securities Act and such other documents as the Subscriber may reasonably request in writing, in order to facilitate the public sale

or other disposition of all or any of the Shares or Warrant Shares by the Subscriber; *provided, however*, that the obligation of the Company to deliver copies of Prospectuses or Preliminary Prospectuses to the Subscriber shall be subject to the receipt by the Company of reasonable assurances from the Subscriber that the Subscriber will comply with the applicable provisions of the Securities Act and of such other securities or blue sky laws as may be applicable in connection with any use of such Prospectuses or Preliminary Prospectuses;

(vi) file documents required of the Company for blue sky clearance in states specified in writing by the Subscriber and use its reasonable best efforts to maintain such blue sky qualifications during the period the Company is required to maintain the effectiveness of the Registration Statement pursuant to Section 1(a)(iii); *provided, however*, that the Company shall not be required to qualify to do business or consent to service of process in any jurisdiction in which it is not now so qualified or has not so consented;

(vii) bear all expenses in connection with the procedures in paragraph (i) through (vi) of this Section 1 (other than any underwriting discounts or commissions, brokers' fees and similar selling expenses, and any other fees or expenses incurred by the Subscriber, including attorneys' fees); and

(viii) advise the Subscriber in writing promptly after it shall receive notice or obtain knowledge of the issuance of any stop order by the SEC delaying or suspending the effectiveness of the Registration Statement or of the initiation or threat of any proceeding for that purpose; and it will promptly use its reasonable best efforts to prevent the issuance of any stop order or to obtain its withdrawal at the earliest possible moment if such stop order should be issued.

Section 2. Transfer of Shares After Registration: Suspension

- (a) The Subscriber agrees that it will not effect any disposition of the Securities or its right to purchase the Securities that would constitute a "sale" within the meaning of the Securities Act, except as contemplated in the Registration Statement referred to in Section 1 and as described below or as otherwise permitted by law, and that it will promptly notify the Company of any material changes in the information set forth in the Registration Statement regarding the Subscriber or its plan of distribution.
- (b) Except in the event that paragraph (c) below applies, the Company shall (i) if deemed necessary by the Company, prepare and file from time to time with the SEC a post-effective amendment to the Registration Statement or a supplement to the related Prospectus or a supplement or amendment to any document incorporated therein by reference or file any other required document so that such Registration Statement will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading, and so that, as thereafter delivered to purchasers of the Shares and Warrant Shares being sold thereunder, such Prospectus will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the

statements therein, in light of the circumstances under which they were made, not misleading; (ii) provide the Subscriber copies of any documents filed pursuant to Section 2(b)(i) as the Subscriber may reasonably request; and (iii) inform each Subscriber that the Company has complied with its obligations in Section 2(b)(i) (or that, if the Company has filed a post-effective amendment to the Registration Statement which has not yet been declared effective, the Company will notify the Subscriber to that effect, will use its reasonable best efforts to secure the effectiveness of such post-effective amendment as promptly as possible and will promptly notify the Subscriber pursuant to Section 2(b)(i) hereof when the amendment has become effective).

- (c) Subject to paragraph (d) below, in the event of: (i) any request by the SEC or any other federal or state governmental authority during the period of effectiveness of the Registration Statement for amendments or supplements to a Registration Statement or related Prospectus or for additional information; (ii) the issuance by the SEC or any other federal or state governmental authority of any stop order suspending the effectiveness of a Registration Statement or the initiation of any proceedings for that purpose; (iii) the receipt by the Company of any notification with respect to the suspension of the qualification or exemption from qualification of any of the Shares for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose; or (iv) any event or circumstance which, upon the advice of its counsel, necessitates the making of any changes in the Registration Statement or Prospectus, or any document incorporated or deemed to be incorporated therein by reference, so that, in the case of the Registration Statement, it will not contain any untrue statement of a material fact or any omission to state a material fact required to be stated therein or necessary to make the statements therein not misleading, and that in the case of the Prospectus, it will not contain any untrue statement of a material fact or any omission to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; then the Company shall deliver a certificate in writing to the Subscriber (the "Suspension Notice") to the effect of the foregoing and, upon receipt of such Suspension Notice, the Subscriber will refrain from selling any Shares and Warrant Shares pursuant to the Registration Statement (a "Suspension") until the Subscriber's receipt of copies of a supplemented or amended Prospectus prepared and filed by the Company, or until it is advised in writing by the Company that the current Prospectus may be used, and has received copies of any additional or supplemental filings that are incorporated or deemed incorporated by reference in any such Prospectus. In the event of any Suspension, the Company will use its reasonable best efforts to cause the use of the Prospectus so suspended to be resumed as soon as reasonably practicable within 20 trading days after the delivery of a Suspension Notice to the Subscriber.
- (d) Notwithstanding the foregoing paragraphs of this Section 2, the Subscriber shall not be prohibited from selling Shares under the Registration Statement as a result of Suspensions on more than two occasions of not more than 20 trading days each in any twelve month period.
- (e) Provided that a Suspension is not then in effect, the Subscriber may sell the Shares and the Warrant Shares under the Registration Statement, provided that it arranges for

delivery of a current Prospectus to the transferee of such Shares or Warrant Shares, as applicable. The Company shall provide such number of current Prospectuses to the Subscriber as the Subscriber may reasonably request, and shall supply copies to any other parties reasonably requiring such Prospectuses.

Section 3. Indemnification

- (a) The Company agrees to indemnify and hold harmless the Subscriber and the officers, directors, agents and employees of the Subscriber, to the fullest extent permitted by applicable law from and against any losses, claims, damages or liabilities to which any such person(s) may become subject (under the Securities Act or otherwise) insofar as such losses, claims, damages or liabilities (or actions or proceedings in respect thereof) arise out of, or are based upon (i) any Untrue Statement (defined below), or (ii) any failure by the Company to fulfill any undertaking included in the Registration Statement, as amended or supplemented from time to time, which indemnification will include reimbursement for any reasonable legal or other expenses reasonably incurred in investigating, defending or preparing to defend any such action, proceeding or claim, or preparing to defend any such action, proceeding or claim; *provided, however*, that the Company shall not be liable in any such case to the extent that such loss, claim, damage or liability arises out of, or is based upon, an Untrue Statement made in reliance upon and in conformity with written information furnished to the Company by or on behalf of the Subscriber specifically for use in preparation of the Registration Statement, as amended or supplemented from time to time (including, without limitation, information set forth in the Investor Questionnaire), or the failure of the Subscriber to comply with its covenants and agreements contained in Section 2 hereof respecting sale of the Shares or Warrant Shares or any statement or omission in any Prospectus that is corrected in any subsequent Prospectus that was delivered to the Subscriber prior to the pertinent sale or sales by the Subscriber. The Company shall reimburse the Subscriber for the indemnifiable amounts provided for herein on demand as such expenses are incurred. Notwithstanding the foregoing, the Company's aggregate obligation to indemnify the Subscriber and such officers, directors and controlling persons shall be limited to the amount of the Subscription Price received by the Company from the Subscriber.
- (b) The Subscriber agrees to indemnify and hold harmless the Company (and each person, if any, who controls the Company within the meaning of Section 15 of the Securities Act, each officer of the Company who signs the Registration Statement and each director of the Company) from and against any losses, claims, damages or liabilities to which the Company (or any such officer, director or controlling person) may become subject (under the Securities Act or otherwise), insofar as such losses, claims, damages or liabilities (or actions or proceedings in respect thereof) arise out of, or are based upon, (i) any Untrue Statement if such Untrue Statement was made in reliance upon and in conformity with written information furnished by or on behalf of the Subscriber specifically for use in preparation of the Registration Statement, as amended or supplemented from time to time (including, without limitation, information set forth in the Investor Questionnaire), or (ii) the failure of the Subscriber to comply with its covenants and agreements contained in Section 2 hereof respecting sale of the Shares or Warrant Shares or any statement or omission in any Prospectus that is corrected in any subsequent Prospectus that was

delivered to the Subscriber prior to the pertinent sale or sales by the Subscriber; and the Subscriber will reimburse the Company or such officer, director or controlling person, as the case may be, for any reasonable legal or other expenses reasonably incurred in investigating, defending or preparing to defend any such action, proceeding or claim. The Subscriber shall reimburse the Company or such officer, director or controlling person, as the case may be, for the indemnifiable amounts provided for herein on demand as such expenses are incurred. Notwithstanding the foregoing, the Subscriber's aggregate obligation to indemnify the Company and such officers, directors and controlling persons shall be limited to the amount received by the Subscriber from the sale of Shares or Warrant Shares that are the subject of such loss.

- (c) Promptly after receipt by any indemnified person of a notice of a claim or the beginning of any action in respect of which indemnity is to be sought against an indemnifying person pursuant to this Section 3, such indemnified person shall notify the indemnifying person in writing of such claim or of the commencement of such action, but the omission to so notify the indemnifying person will not relieve it from any liability which it may have to any indemnified person under this Section 3 (except to the extent that such omission materially and adversely affects the indemnifying person's ability to defend such action) or from any liability otherwise than under this Section 3. Subject to the provisions hereinafter stated, in case any such action shall be brought against an indemnified person, the indemnifying person shall be entitled to participate therein, and, to the extent that it shall elect by written notice delivered to the indemnified person promptly after receiving the aforesaid notice from such indemnified person, shall be entitled to assume the defense thereof, with counsel reasonably satisfactory to such indemnified person. After notice from the indemnifying person to such indemnified person of its election to assume the defense thereof, such indemnifying person shall not be liable to such indemnified person for any legal expenses subsequently incurred by such indemnified person in connection with the defense thereof; *provided, however*, that if there exists or shall exist a conflict of interest that would make it inappropriate, in the opinion of counsel to the indemnified person, for the same counsel to represent both the indemnified person and such indemnifying person or any affiliate or associate thereof, the indemnified person shall be entitled to retain its own counsel at the expense of such indemnifying person; provided, further, that no indemnifying person shall be responsible for the fees and expenses of more than one separate counsel (together with appropriate local counsel) for all indemnified parties. In no event shall any indemnifying person be liable in respect of any amounts paid in settlement of any action unless the indemnifying person shall have approved the terms of such settlement; provided that such consent shall not be unreasonably withheld or delayed. No indemnifying person shall, without the prior written consent of the indemnified person, effect any settlement of any pending or threatened proceeding in respect of which any indemnified person is or could have been a party and indemnification could have been sought hereunder by such indemnified person, unless such settlement includes an unconditional release of such indemnified person from all liability on claims that are the subject matter of such proceeding.
- (d) If the indemnification provided for in this Section 3 is unavailable to or insufficient to hold harmless an indemnified person under subsection (a) or (b) above in respect of any losses, claims, damages or liabilities (or actions or proceedings in respect thereof)

referred to therein, then each indemnifying person shall contribute to the amount paid or payable by such indemnified person as a result of such losses, claims, damages or liabilities (or actions in respect thereof) in such proportion as is appropriate to reflect the relative fault of the Company on the one hand and the Subscriber, as well as any other Subscribers under such Registration Statement on the other in connection with the statements or omissions or other matters which resulted in such losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. The relative fault shall be determined by reference to, among other things, in the case of an Untrue Statement, whether the Untrue Statement relates to information supplied by the Company on the one hand or the Subscriber on the other and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such Untrue Statement. The Company and the Subscriber agree that it would not be just and equitable if contribution pursuant to this subsection (d) were determined by pro rata allocation (even if the Subscriber and other subscribers were treated as one entity for such purpose) or by any other method of allocation which does not take into account the equitable considerations referred to above in this subsection (d). The amount paid or payable by an indemnified person as a result of the losses, claims, damages or liabilities (or actions in respect thereof) referred to above in this subsection (d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified person in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this subsection (d), the Subscriber shall not be required to contribute any amount in excess of the amount by which the net amount received by the Subscriber from any and all sales of the Securities to which such loss relates exceeds the amount of any damages which such Subscriber has otherwise been required to pay by reason of such Untrue Statement. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Subscriber's obligations in this subsection to contribute shall be in proportion to its sale of Securities to which such loss relates and shall not be joint with any other Subscribers.

- (e) The parties to this Letter Agreement and the Subscription Agreement hereby acknowledge that they are sophisticated business persons who were represented by counsel during the negotiations regarding the provisions hereof including, without limitation, the provisions of this Section 3, and are fully informed regarding said provisions. They further acknowledge that the provisions of this Section 3 fairly allocate the risks in light of the ability of the parties to investigate the Company and its business in order to assure that adequate disclosure is made in the Registration Statement as required by the Securities Act and the Securities Exchange Act of 1934, as amended. The parties are advised that federal or state public policy as interpreted by the courts in certain jurisdictions may be contrary to certain of the provisions of this Section 3, and the parties hereto hereby expressly waive and relinquish any right or ability to assert such public policy as a defense to a claim under this Section 3 and further agree not to attempt to assert any such defense.
- (f) For the purpose of this Section 3:

- (i) the term “Registration Statement” shall include the Prospectus in the form first filed with the SEC pursuant to Rule 424(b) of the Securities Act or filed as part of the Registration Statement at the time of effectiveness if no Rule 424(b) filing is required, and any exhibit, supplement or amendment included in or relating to the Registration Statement referred to in Section 1; and
- (ii) the term “Untrue Statement” means any untrue statement or alleged untrue statement, or any omission or alleged omission to state in the Registration Statement, as amended or supplemented from time to time, a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

Section 4. Information Available

So long as the Registration Statement is effective covering the resale of Shares and Warrant Shares owned by the Subscriber, the Company will, at Subscriber’s written request, furnish to the Subscriber:

- (a) as soon as practicable after it is available, one copy of (i) its Annual Report to Shareholders (which Annual Report shall contain financial statements audited in accordance with generally accepted accounting principles by a national firm of certified public accountants), (ii) its Annual Report on Form 10-KSB and (iii) its Quarterly Reports on Form IO-QSB (the foregoing, in each case, excluding exhibits);
- (b) any and all exhibits to the reports set forth in Section 4(a) as filed with the SEC and all other information that is made available to shareholders; and
- (c) an adequate number of copies of the Prospectuses to supply to any other party requiring such Prospectuses.

#### **4. EXERCISE OF WARRANTS**

##### **4.1 Method of Exercise of Warrants**

The right to purchase shares conferred by the Warrants may be exercised by the Holder surrendering the Warrant Certificate representing same, with a duly completed and executed subscription in the form attached hereto ("Form of Subscription") and a bank draft or certified check payable to or to the order of the Company, at par, in New York, New York, for the purchase price applicable at the time of surrender in respect of the Shares subscribed for in lawful money of the United States of America, to the Company at the address set forth in, or from time to time specified by the Company pursuant to, Section 3.2. Notwithstanding the foregoing, the Warrants may be exercised and payment received for the Warrant Shares in any manner mutually agreed to by the Company and the Holder.

##### **4.2 Effect of Exercise of Warrants**

- (a) Upon surrender and payment as aforesaid the Shares so subscribed for will be deemed to have been issued and such Person or Persons will be deemed to have become the Holder or Holders of record of such Shares on the date of such surrender and payment, and such Shares will be issued at the subscription price in effect on the date of such surrender and payment.
- (b) Within ten business days after surrender and payment as aforesaid, the Company will forthwith cause to be delivered to the Person or Persons in whose name or names the Shares so subscribed for are to be issued as specified in such subscription or mailed to him or them at his or their respective addresses specified in such subscription, a certificate or certificates for the appropriate number of Shares not exceeding those which the Holder is entitled to purchase pursuant to the Warrant surrendered.

##### **4.3 Subscription for Less Than Entitlement**

The Holder of any Warrant may subscribe for and purchase a number of Shares less than the number which he is entitled to purchase pursuant to the surrendered Warrant. In the event of any purchase of a number of Shares less than the number which can be purchased pursuant to a Warrant, the Holder thereof upon exercise thereof will in addition be entitled to receive a new Warrant in respect of the balance of the Shares which he was entitled to purchase pursuant to the surrendered Warrant and which were not then purchased.

#### 4.4. Warrant for Fractions of Shares

To the extent that the Holder of any Warrant is entitled to receive on the exercise or partial exercise thereof a fraction of a share, such right may be exercised in respect of such fraction only in combination with another Warrant or other Warrants which in the aggregate entitle the Holder to receive a whole number of such Shares.

#### 4.5 Expiration of Warrants

After the expiration of the period within which a Warrant is exercisable, all rights thereunder will wholly cease and terminate and such Warrant will be void and of no effect.

#### 4.6 Time of Essence

Time will be of the essence hereof.

#### 4.7 Subscription Price

Each Warrant is exercisable at a price per share (the "Exercise Price") of US\$0.65. One (1) Warrant and the Exercise Price are required to subscribe for each share during the term of the Warrants.

#### 4.8. Adjustment of Exercise Price

(a) The Exercise Price and the number of Shares deliverable upon the exercise of the Warrants will be subject to adjustment in the event and in the manner following:

(i) If and whenever the Shares at any time outstanding are subdivided into a greater or consolidated into a lesser number of Shares the Exercise Price will be decreased or increased proportionately as the case may be; upon any such subdivision or consolidation the number of shares deliverable upon the exercise of the Warrants will be increased or decreased proportionately as the case may be.

(ii) In case of any capital reorganization or of any reclassification of the capital of the Company or in the case of the consolidation, merger or amalgamation of the Company with or into any other Company (hereafter collectively referred to as a "Reorganization"), each Warrant will after such Reorganization confer the right to purchase the number of Shares or other securities of the Company (or of the company resulting from such Reorganization) which the Holder would have been entitled to upon Reorganization if the Holder had been a shareholder at the time of the Reorganization.

In any such case, if necessary, appropriate adjustments will be made in the application of the provisions of this Article Four relating to the rights and interest thereafter of the Holders of the Warrants so that the provisions of this Article Four will be made applicable as nearly as reasonably possible to any Shares or other securities deliverable after the Reorganization on the exercise of the Warrants.

The subdivision or consolidation of Shares at any time outstanding into a greater or lesser number of Shares (whether with or without par value) will not be deemed to be a Reorganization for the purposes of this clause 4.8(a)(ii).

(b) The adjustments provided for in this Section 4.8 are cumulative and will become effective immediately after the record date or, if no record date is fixed, the effective date of the event which results in such adjustments.

4.9 Determination of Adjustments

If any questions will at any time arise with respect to the Exercise Price or any adjustment provided for in Section 4.8, such questions will be conclusively determined by the Company's Auditors, or, if they decline to so act any other firm of certified public accountants in the United States of America that the Company may designate and who will have access to all appropriate records and such determination will be binding upon the Company and the Holders of the Warrants.

5. **COVENANTS BY THE COMPANY**

5.1 Reservation of Shares

The Company will reserve and there will remain unissued out of its authorized capital a sufficient number of Shares to satisfy the rights of purchase provided for herein and in the Warrants should the Holders of all the Warrants from time to time outstanding determine to exercise such rights in respect of all shares which they are or may be entitled to purchase pursuant thereto and hereto.

6. **MODIFICATION OF TERMS, MERGER, SUCCESSORS**

6.1 Modification of Terms and Conditions for Certain Purposes

From time to time the Company may, subject to the provisions of these presents, modify the Terms and Conditions hereof, for the purpose of correction or rectification of any ambiguities, defective provisions, errors or omissions herein.

6.2 Warrant Not Transferable

The Warrant and all rights attached to it are not transferable. Notwithstanding the foregoing, the Warrants and all rights attached to it may be transferred to an affiliate or parent of the Holder provided that the transferee executes an instrument of adherence binding them to the provisions contained herein.

## Novastar Resources Completes \$15,000,000 Private Placement With Select Institutional Investors

NEW YORK, May 4 /PRNewswire-FirstCall/ -- Novastar Resources Ltd. (OTC Bulletin Board: [NVAS - News](#)) has today announced the successful completion of a \$15,000,000 private placement, which was oversubscribed due to strong investor interest in the Company's business plan and future prospects. Proceeds will be used to enhance the Thorium Power portfolio of intellectual property, develop strategic alliances in the nuclear industry, and strengthen the company's balance sheet. The vast majority of the capital was raised from prominent institutional investors. The Company does not anticipate requiring additional funding for the foreseeable future. Complete details of this oversubscribed financing will be disclosed in a Form 8K, to be filed with the SEC shortly.

Seth Grae, President & CEO of Novastar Resources, commented "The completion of this private placement enables our company to advance Thorium Power's proprietary technologies and strategic position in the nuclear power industry. We are pleased to have included such prestigious institutional investors as participants in this private placement. We expect to show the investment community great progress in implementing our business strategy over the short, intermediate, and long terms."

Because the private placement was oversubscribed, the Company received and accepted more than \$15,000,000 in conjunction with this financing. Additionally a small percentage of this financing was comprised of accredited individual investors.

On February 14, 2006 Novastar Resources signed a definitive merger agreement with Thorium Power, Inc. to combine the two companies. Shareholders of Thorium Power, Inc. recently approved the merger with Novastar Resources, which is expected to close during the second calendar half of 2006. The name of the Company will change to Thorium Power Ltd. and a new trading symbol will be requested.

The securities offered in the private placement to the investors were not registered under the Securities Act of 1933 as amended (the "Act"), and may not be offered or sold in the United States absent registration, or an applicable exemption from registration, under the Act.
