PROXY STATEMENT

This Proxy Statement and the accompanying proxy are being furnished with respect to the solicitation of proxies by the Board of Directors of Thorium Power, Ltd., a Nevada corporation (the “Company,” “Thorium Power” or “we”), for the 2007 Annual Meeting of Shareholders (the “Meeting”). The Meeting is to be held at 11:00 a.m., local time, on Wednesday, April 25, 2007, and at any adjournment or adjournments thereof, at the office of Thelen Reid Brown Raysman & Steiner LLP, 875 Third Avenue, 10th Floor, New York, New York, 10022.

The approximate date on which the Proxy Statement and proxy card are intended to be sent or given to shareholders is March 27, 2007.

The purposes of the Meeting are to seek shareholder approval of two proposals: (i) electing five (5) directors to the Board and (ii) ratifying the appointment of the Company’s accountants for fiscal year 2007.

Who May Vote

Only shareholders of record of our common stock, \$.001 par value (the “Common Stock”), as of the close of business on March 2, 2007 (the “Record Date”) are entitled to notice and to vote at the Meeting and any adjournment or adjournments thereof.

A list of shareholders entitled to vote at the Meeting will be available at the Meeting, and will also be available for ten days prior to the Meeting, during office hours, at the executive offices of the Company at 8300 Greensboro Drive, Suite 800, McLean, Virginia, 22102, by contacting the Secretary of the Company.

The presence at the Meeting of a majority of the outstanding shares of Common Stock as of the Record Date, in person or by proxy, is required for a quorum. Should you submit a proxy, even though you abstain as to one or more proposals, or you are present in person at the Meeting, your shares shall be counted for the purpose of determining if a quorum is present.

Broker “non-votes” are not included for the purposes of determining whether a quorum of shares is present at the Meeting. A broker “non-vote” occurs when a nominee holder, such as a brokerage firm, bank or trust company, holding shares of record for a beneficial owner does not vote on a particular proposal because the nominee holder does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner.

As of the Record Date, we had issued and outstanding 297,221,116 shares of Common Stock. Each holder of Common Stock on the Record Date is entitled to one vote for each share then held on all matters to be voted at the Meeting. No other class of voting securities was then outstanding.

Voting Your Proxy

You may vote by one of the following methods:

- completing and signing the proxy card and mailing it in the enclosed postage-paid envelope;
- calling the toll-free telephone number 1-800-690-6903 provided on the proxy card; or
- voting on the Internet at the website *www.proxyvote.com*.

Voting by telephone is not available to persons outside of the United States. Complete instructions for voting by any of the above methods are included on the proxy card. If your shares are held through a broker, trust, bank or other nominee, you should refer to information forwarded to you by such holder of record for your voting options.

The shares represented by any proxy duly given will be voted at the Meeting in accordance with the instructions of the shareholder. If no specific instructions are given, the shares will be voted FOR the election of the nominees for director set forth herein, and FOR ratification of Child, Van Wagoner & Bradshaw PLLC as the Company's independent registered public accounting firm. In addition, if other matters come before the Meeting, the persons named in the accompanying proxy card will vote in accordance with their best judgment with respect to such matters.

Each share of Common Stock outstanding on the record date will be entitled to one vote on all matters. Under Proposal 1 (Election of Directors), the five candidates for election as directors at the Meeting are uncontested. In uncontested elections, directors are elected by majority of the votes cast at the meeting. Proposal 2 (Ratification of Independent Auditors) requires the vote of a majority of the shares present in person or by proxy at the Meeting for approval.

Shares which abstain from voting as to a particular matter, and shares held in "street name" by brokers or nominees who indicate on their proxies that they do not have discretionary authority to vote such shares as to a particular matter, will not be counted as votes in favor of such matter, and will also not be counted as shares voting on such matter. Accordingly, abstentions and "broker non-votes" will have no effect on the voting on matters (such as the election of directors, and the ratification of the selection of the independent registered public accounting firm) that require the affirmative vote of a plurality or a majority of the votes cast or the shares voting on the matter.

Revoking Your Proxy

Even if you execute a proxy, you retain the right to revoke it and to change your vote by notifying us at any time before your proxy is voted. Mere attendance at the meeting will not revoke a proxy. Such revocation may be effected by calling the toll free telephone number listed above (within the United States only), by accessing the Internet website www.proxyvote.com or in writing by execution of a subsequently dated proxy, or by a written notice of revocation, sent to the attention of the Secretary at the address of our principal office set forth above in the Notice to this Proxy Statement or your attendance and voting in person at the Meeting. Unless so revoked, the shares represented by proxies, if received in time, will be voted in accordance with the directions given therein.

If the Meeting is postponed or adjourned for any reason, at any subsequent reconvening of the Meeting, all proxies will be voted in the same manner as the proxies would have been voted at the original convening of the Meeting (except for any proxies that have at that time effectively been revoked or withdrawn), even if the proxies had been effectively voted on the same or any other matter at a previous Meeting.

You are requested, regardless of the number of shares you own or your intention to attend the Meeting, to sign the proxy and return it promptly in the enclosed envelope.

Solicitation of Proxies

The expenses of solicitation of proxies will be paid by the Company. We may solicit proxies by mail, and the officers and employees of the Company, who will receive no extra compensation therefore, may solicit proxies personally or by telephone. The Company will reimburse brokerage houses and other nominees for their expenses incurred in sending proxies and proxy materials to the beneficial owners of shares held by them.

Delivery of Proxy Materials to Households

Only one copy of the Company's 2006 Annual Report and Proxy Statement for the 2007 Annual Meeting of Shareholders will be delivered to an address where two or more shareholders reside unless we have received contrary instructions from a shareholder at the address. A separate proxy card will be delivered to each shareholder at the shared address.

If you are a shareholder who lives at a shared address and you would like additional copies of the 2006 Annual Report, this Proxy Statement, or any future annual reports or proxy statements, contact Dennis Hays, Secretary, Thorium Power, Ltd., 8300 Greensboro Drive, Suite 800, McLean, Virginia, 22102, telephone number (703) 918-4904, and we will promptly mail you copies.

Mr. Mushakov's option will immediately and automatically vest in full upon a Change of Control, the termination of Mr. Mushakov's employment by the Company without Cause, or the termination of Mr. Mushakov's employment by Mr. Mushakov for Good Reason. "Change of Control," "Cause," and "Good Reason" are each defined in that certain employment agreement between Mr. Mushakov and the Company, dated July 27, 2006.

In December 2006, the Board of Directors granted to Mr. Mushakov 1 million shares of the Company's common stock as a year end 2006 bonus.

On July 27, 2006, the Company entered into an employment agreement with Thomas Graham, Jr., the Chairman of the Company. Under the terms of the Mr. Graham's employment agreement, the Company agreed to pay Mr. Graham an annual salary of \$130,000, as consideration for performance of his duties as an officer of the company. In addition, the Company agreed to grant to Mr. Graham a ten-year incentive stock option for the purchase of 1,500,000 shares of the common stock the Company, at an exercise price of \$0.49 per share. The initial term of the Mr. Graham's employment agreement is one year and will automatically extend for additional one-year periods unless terminated by either party in accordance with its terms and conditions.

On July 27, 2006, the Company granted to Mr. Graham, pursuant to the Company's Second Amended and Restated 2006 Stock Plan, a non-qualified ten-year option for the purchase of 1,500,000 shares of the common stock of the Company, at an exercise price of \$0.49 per share. Mr. Graham's option vested with respect 1/36 of the total number of shares on the date of grant, and the remaining shares vest in equal monthly installments of 1/36 the total number of shares until all shares underlying the Option have vested. Mr. Graham's option will immediately and automatically vest in full upon a Change of Control, the termination of Mr. Graham's employment by the Company without Cause, or the termination of Mr. Graham's employment by Mr. Graham for Good Reason. "Change of

Control,” “Cause,” and “Good Reason” are each defined in that certain employment agreement between Mr. Graham and the Company, dated July 27, 2006.

On December 15, 2006, the Company and Mr. Graham entered into an agreement whereby the parties cancelled an option, held by Mr. Graham, to purchase 2,562,780 shares of the Company’s common stock at an exercise price of \$10.00. In consideration for terminating the options above, the Company then granted to Mr. Graham a non-qualified two-year option for the purchase of 467,242 shares of the common stock of the Company, at an exercise price of \$0.30 per share. The pricing and amount of shares granted to Mr. Graham was determined using the Black-Scholes option pricing model, so that the value of the cancelled and newly granted shares was the same.

PROPOSAL 1

ELECTION OF DIRECTORS

The Board of Directors (the “Board”) is responsible for establishing broad corporate policies and monitoring the overall performance of the Company. It selects the Company’s executive officers, delegates authority for the conduct of the Company’s day-to-day operations to those officers, and monitors their performance. Members of the Board are kept informed of the Company’s business by participating in Board and Committee meetings, by reviewing analyses and reports, and through discussions with the Chairman and other officers.

There are currently five (5) directors serving on the Board. At the Meeting, five (5) directors will be elected, each to hold office until the next Annual Meeting of Shareholders or his or her earlier death or resignation or until his or her successor, if any, is elected or appointed. The individuals who have been nominated for election to the Board at the Meeting are listed in the table below. Each of the nominees is a current director of the Company.

If, as a result of circumstances not now known or foreseen, any of the nominees is unavailable to serve as a nominee for the office of Director at the time of the Meeting, the holders of the proxies solicited by this Proxy Statement may vote those proxies either (i) for the election of a substitute nominee who will be designated by the proxy holders or by the present Board or (ii) for the balance of the nominees, leaving a vacancy. Alternatively, the size of the Board may be reduced accordingly. The Board has no reason to believe that any of the nominees will be unwilling or unable to serve, if elected as a Director. The five nominees for election as directors are uncontested. In uncontested elections, directors are elected by majority of the votes cast at the meeting. **Proxies submitted on the accompanying proxy card will be voted for the election of the nominees listed below, unless the proxy card is marked otherwise.**

Director Selection

As provided in its charter, the Nominating and Governance Committee of the Company’s Board of Directors is responsible for identifying individuals qualified to become Board members and recommending to the Board nominees for election as directors. The Nominating and Governance Committee considers recommendations for director nominees, including those submitted by the Company’s shareholders, on the bases described below. Shareholders may recommend nominees by writing to the Nominating and Governance Committee c/o the Secretary at 8300 Greensboro Drive, Suite 800, McLean, Virginia, 22102. Shareholder recommendations will be promptly provided to the chairman of the Nominating and Governance Committee. To be considered by the Nominating and Governance Committee for inclusion in the proxy for the 2008 annual meeting, recommendations must be received by the Secretary of the Company not later than the close of business on December 27, 2007.

In identifying and evaluating nominees, the Nominating and Governance Committee may consult with the other Board members, management, consultants, and other individuals likely to possess an understanding of the Company’s business and knowledge of suitable candidates. In making its recommendations, the Nominating and Governance Committee assesses the requisite skills and qualifications of nominees and the composition of the Board as a whole in the context of the Board’s criteria and needs. In evaluating the suitability of individual board members, the Corporate Governance and Nominating Committee may take into account many factors, including general understanding of marketing, finance and other disciplines relevant to the success of a publicly traded company in today’s business environment; understanding of the company’s business and technology; the international nature of the company’s operations, educational and professional background; and personal accomplishment. The Corporate Governance and Nominating Committee evaluates each individual in the context of the board as a whole, with the objective of recommending a group that can best perpetuate the success of the company’s business and represent shareholder interests through the exercise of sound judgment, using its diversity of experience. Although the Company is not listed on NASDAQ, the board of directors has determined that it is important for the Company to comply with the independent director requirements of NASDAQ. The Corporate Governance and Nominating Committee, therefore, also ensures that not less than a majority of directors shall satisfy the NASDAQ Stock Market, Inc independence requirements

The Board of Directors recommends a vote FOR the election of the nominees listed below.

The Audit Committee of the Board is comprised of three non-employee Directors, each of whom has been determined by the Board to be “independent” under the meaning of Rule 10A-3(b)(1) under the Exchange Act. The Audit Committee also reviews and recommends to the Board that the audited financial statements be included in the Company’s Annual Report on Form 10-KSB.

Following the end of the fiscal year ended December 31, 2006, the Audit Committee (1) reviewed and discussed the audited financial statements for the fiscal year ended December 31, 2006 with Company management; (2) discussed with the independent auditors the matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards), as may be modified or supplemented; and (3) received the written disclosures and the letter from the independent accountants required by Independence Standards Board Standard No. 1 (Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees), as may be modified or supplemented, and has discussed with the independent accountant its independence.
